

Spring Show

Our Spring Show was a great success on the 4th & 5th September at the Uniting Church Hall, Coronation Ave. Nambour. Posted below are the photos of the Champion Prize winners. The Champion Orchid & The Reserve Champion Orchid were both awarded by our judging panel on the night. If you missed our show this year, make sure you diary the 3rd & 4th of September 2010 as we are planning a bigger and better show than ever. Next years show will feature benched species orchids grown by Nambour members. Orchidaceous supplies, Palmwoods Arts & Crafts will both be attending, and as always there will be plenty of plants for sale.

Nambour Orchid Society Display
